Case No. 4:06cv1572 TCM

**ORDER**

This action is before the Court on the parties' motion requesting that the Court set a deadline of March 28, 2008 – ten days before trial on April 7 – by which the parties must file their pre-trial compliance. The parties refer in their motion to a standard order requiring pretrial compliance to be filed ten days prior to trial. The case management order entered in the instant case, however, sets a deadline of *twenty* days before trial. Consequently, the parties' motion [Doc. 19] is DENIED and the pretrial compliance is due **on or before March 18, 2008**.
